

PREDATOR 14 BATTERY POWERED SCRUBBER

Designed to scrub hard-to-clean areas where a traditional mop and bucket are used; compact and versatile, this scrubber is ideal for confined or small to medium sized areas in fast food restaurants, small retailers, classrooms, hospitals, medical offices and much more.

- Cleans more efficiently, capturing the dirt and debris mops leave behind, allowing it to be totally removed from the space leaving floors clean and sanitary – 14” path cleans right up to the wall
- Eco-friendly low moisture system saves on chemicals and water
- Incredible recovery with a parabolic squeegee system mounted just one inch behind the pad – solution is contained within the cleaning path and instantly recovered, even around 180 degree turns
- Low-operating noise level of 68 dB is safer for employees, allows for cleaning during business hours and meets LEED standards
- Comes complete with maintenance free gel batteries and integrated onboard charger making it simple to recharge at any location
- Easy maintenance – recovery tank lifts off and the solution tank features an easy to use drain hose for simple disposal of waste water
- Collapsible handle for easy storage – weighs only 132 pounds
- Solution tank capacity 4.5 gallons – Recovery tank 5.8 gallons
- Cleaning path 14” – Squeegee width 16”
- Pad or Brush Sold Separately
